Amgraf OneForm™ Manager Lite

Offline Forms Management for Connected & Disconnected Environments

Complete, Manage, & Submit eForms — Anytime, Anywhere

OneForm™ Manager Lite is an optional companion application for ***OneForm™ Designer Plus – Universal*** that enables users to organize, complete, and manage eForms without requiring a continuous network connection. Designed for remote offices, field personnel, and secure environments, it provides uninterrupted access to business forms while allowing completed information to be securely submitted whenever connectivity becomes available.

OneForm™ Manager Lite Features

WORK ANYWHERE

OneForm™ Manager Lite allows users to open, complete, edit, and save eForms directly on their device, ensuring work continues whether connected to the network or working offline. Users remain productive while traveling, working remotely, or operating in locations with limited or no Internet access.

SECURE DATA SYNCHRONIZATION

Completed forms are securely stored on the user's device and submitted for centralized processing whenever a network connection becomes available. Working together with ***OneForm™ Designer Plus – Universal*** and the ***Amgraf Forms Portal***, OneForm Manager Lite provides reliable information collection across both connected and disconnected environments.

Access your eForms from any location with OneForm™ Manager Lite.

PERSONAL FORMS MANAGEMENT

Electronic forms are organized into a secure, searchable personal library, making them easy to locate, complete, and update. Organizations can distribute new or revised forms through email, removable media, websites, or the ***Amgraf Forms Portal***, ensuring users always have access to the latest approved version of forms.

BUSINESS BENEFITS

Organizations increasingly rely on employees who work beyond the reach of reliable network connectivity. OneForm Manager Lite eliminates this challenge by providing continuous access to electronic forms while supporting secure data synchronization when connections are restored. The result is improved productivity, uninterrupted workflows, and greater operational flexibility without compromising centralized forms management or data collection.

Work Offline. Stay Productive. Submit When Connected.

Combined with OneForm™ Designer Plus – Universal and the Amgraf Forms Portal, OneForm™ Manager Lite extends electronic forms management beyond the office, providing a flexible solution for secure offline forms completion and reliable enterprise data collection.
